

Supply Chain Sustainability School

December 2020

Bayanix achieves Silver membership of the Supply Chain Sustainability School

The Supply Chain Sustainability School is an award winning industry-wide collaboration, led by industry Partners and Members, whose Vision for the School is to be:

“A world class collaboration to enable a sustainable built environment”.

Bayanix joined the school earlier in the year in order to build up further knowledge and develop strategies for improvement on topics such as:

- Modern Slavery
- Waste & Carbon
- Fairness, Inclusion & Respect
- Resource Efficiency
- Sustainable Procurement

Having carried out an initial sustainability assessment for the business, completed the action plan and subsequent re-assessment, Bayanix is proud to have achieved silver status, demonstrating its commitment to development and improvement in all areas of sustainability.
