

Bayanix Completes Hackney Residential Development Project

May 2021

Bayanix Ltd completes townhouse development for Northhill Properties

We are pleased to handover five new build townhouses completed for Northhill Properties in the heart of Hackney village. Despite challenging logistics, the following works were carried out to a high standard:

- Installation of staircases
- Construction of all internal partitions walls
- Full M&E Package including fire suppression
- All floor and ceilings works
- Plaster, skimming, decoration and tiling
- Design and installation of kitchens and joinery
- Supply and installation of all sanitaryware
- External render and decking works
- Construction of bike store and bin store

For further details and images, please see the Derby Road case study on the 'Our Work' page of the Bayanix website.
