Bayanix team is expanding!

Due to the steady growth of the business, even throughout the difficult times of the pandemic, Bayanix has needed to increase the size of the team to manage the additional projects and clients.

We are delighted to announce that 3 new members of the Bayanix team have joined us in the last couple of months:

Jim Law, Project Manager

- managing client projects for Millier and Derwent London

Liam Walsh, Project Manager

- running our new project at Derby Road, Hackney

Brigita Bunikaityte, Compliance Officer

- joining the HSEQ / compliance team

Congratulations!

We are also pleased to announce that **Paul Wiltshire** has been promoted to the position of **Contracts Director** and congratulate him for his hard work, consistently high standards and continued dedication to the company.
