Following recommendations from our recent work at Regents Crescent, Bayanix is pleased to pick up two new contracts, worth in excess of £1million, for refurbishment of prestigious residential properties.

1. Hyde Park Gate Apartment – Kensington (value £850k)
2. Ballards Hall – Oxted (value £295k)

Having completed a number of prestigious projects for private clients, we are delighted to be entrusted with taking care of these luxury residences.

Working in occupied buildings is always challenging, but our experienced teams give assurance of a smooth process during the construction phase.

Our 'certificate of excellence' from Considerate Constructors Scheme verifies that we strive to be good neighbours on site.
